PTL! PTL! PTL! The Visa is here!!!

The long-awaited visa came this morning via certified mail! I am so EXCITED AND THANKING THE LORD for answering our prayers in His perfect time. Please take a few minutes to PRAISE THE LORD WITH ME for this **great news!!**

In the next week or so I will be sending out more details on the visa as well as an update on some great ministry opportunities I have had in recent days. Thank you so much for your love, prayers, and support throughout this 15 month process.

Celebrating the Lord's goodness,

☺**Sam**

P.S. "The last five psalms present a climax to the praises contained in the Book of Psalms, commanding believers (145:10), the Israelites (149:2), the angels (148:2), Jerusalem itself (147:12), the heavens (148:1), and finally every being that has breath (150:6) to praise the Almighty God, the Creator of the universe."
